## **TURTLE TOUR (GUIDED) - BUCKET LIST (R950 PP)**

A guided tour to Bhangra Nek beach to watch the female leatherback and loggerhead turtles coming out of the surf to lay their eggs on the beach. Approximately 60 days later, see the baby turtles or hatchlings emerging.

Excursions Time: 16h30 to 23h00 **(mid November to mid March)**.

Trips must be booked a day in advance and are weather and guide dependent.

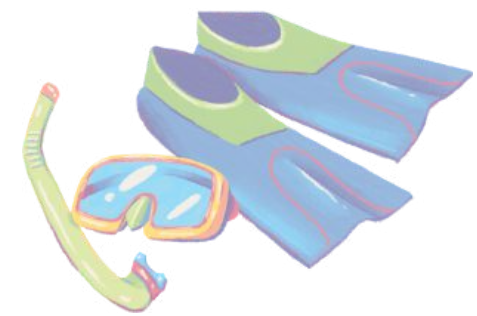

## **SNORKELLING (SELF GUIDED)**

Kosi Bay Mouth is one of the only places in the world where you can snorkel on a living reef inside an estuary, fondly known as “the aquarium”.

The rock pools in the ocean also offer a protected area to snorkel during low tide.

Visibility always depends on the weather and the tide.

**\*PLEASE DO NOT STAND ON THE REEF \*BEWARE OF STONEFSIH**

## **BEACH TIME (SELF GUIDED)**

Kosi Mouth Beach is one of the most spectacular beaches. Crystal clean water and shady trees make this a great day for the whole family. Kids will enjoy playing in the shallow and safe water of the estuary.

**NOTE THAT THERE ARE NO LIFE GUARDS ON KOSI BEACHES**
